Education—The Board of Education submitted report Number one, which was read and adopted after an address by Dr. Stonewall Anderson, Secretary of Education:

EDUCATION NO. 1.

We, the Board of Education of North Mississippi Conference have had under consideration reports concerning the Christian Education Movement from the General Board of Education and from the Conference Educational Secretary, and respectfully offer the following recommendations:

First: We are gratified at the splendid progress that has been made towards the attainment of the five objectives of the Christian Education Movement. When all of the conditions are taken into account, we believe that what has been accomplished is little short of marvelous. It is a great tribute to the faithful service and loyalty of the preachers and people participating.

Second: We desire to emphasize that the campaign is not closed and must not be until the entire quota for this Conference is raised. We are therefore, in the midst of an incomplete task. Every charge in Methodism has been assigned a definite part in a great co operative effort of the Church to solve its educational problem, and it is hereby declared to be the policy of North Mississippi Conference to regard the quotas assigned heretofore as the financial goal to be reached by each pastoral charge.

Third: That the Presiding Elders in the first round of Quarterly Conferences secure accurate reports from pastors and church collector or directors concerning the quota and the amounts already subscribed and concerning the general economic condition in each charge. We further recommend that wherever practicable arrangements be made to finish the Every-Member Campaign in Churches which have not raised their quotas. The full amount of each quota should be subscribed if possible by the General Conference of 1922.

Fourth: That we urge our people to pay promptly their educational subscriptions when they fall due, that pastors and presiding elders do what they can to secure prompt payment, and that as most subscriptions fall due November 1st, we fix the week following the second Sunday in December as Pay-Up Week. The schools and colleges of our Conference are sorely in need of money, and as a means of relief the co-operation of pastor, presiding elder, and people is urged in an effort to secure the prompt payment of pledges.

Fifth: That if Church collectors in any charge or charges have not been appointed, they should be elected at the first Quarterly Conference of the ensuing year.

Sixth: That, where the original pledge cards have not been sent to the Educational Secretary the pastor arrange to have them sent to him at an early date.

Seventh: That J. H. Holder be appointed as Conference Educational Secretary.

R. A. MEEK, President.
L. P. WASSON, Secretary.

Resolutions—The following resolutions were unanimously adopted:

Whereas, There appears to be a revival of propaganda in behalf of the theories of the origin and inspiration of the Holy Scriptures which we regard as subversive of sound doctrine; and

Whereas, We consider these theories as but the outworn creed of German rationalism, supported by no new discovery in language, history, philosophy or science, therefore,

Resolved, first, That we reaffirm our abiding faith in the Bible as the inspired word and revealed will of God, and the only authoritative rule for Christian life and conduct.

Resolved second, That, while we rejoice in every achievement of modern scholarship and every discovery of facts bearing upon the history and customs of ancient peoples, we believe that none of these affect in the slightest degree the integrity and veracity of the Bible as the "Book of Books."

Resolved third, That, while we accord to every man liberty of thought, research and investigation to the limit of his ability and opportunity, we believe that every obligation of ethics and morals demands that those who accept the honors, offices and emoluments of the Church shall be true to its doctrines and loyal to its standards as set forth in its confession of faith.

Resolved fourth, That we protest against the use of pulpit, press or classroom as a means of opposing the doctrines, polity or authorized enterprises of our beloved Methodism, and we call upon those to whom we have given charge of our interests and institutions to use all possible care and diligence to see that sound doctrine is preserved and the welfare of our people, especially of our youth is safeguarded to the uttermost.

Lay Activities—The Committee on Lay Activities presented the
following report which read and adopted by a rising vote:

LAY ACTIVITIES.

We, the laymen of the North Mississippi Conference, beg to make
the following report and also to offer the following suggestions.

First, We wish to express our loyalty to our Church in her great
work, and we pledge our support in her undertaking. We rejoice
in the measure of success she has achieved, both spiritual and ma-
terial. We are proud of her history and we pray God's guidance
and blessings on her future endeavors.

We are especially concerned for our ministers who bear the
real burdens of the Church, often under great difficulties and dis-
couragements. We regret that, in many instances, they are not
remunerated sufficiently to give the comforts of life to themselves
and their families. We believe that this trouble is due largely to
the lack of proper organization. And, just here we urge our
laymen in each individual church to organize in accordance with
the Discipline, and to so care for the financial affairs of the
church as to relieve the preacher of any burden whatsoever along
this line. We suggest that, where practical, each board of stew-
ards have one to three junior stewards, according to the size of the
congregation. By "junior stewards" we mean young men from 15
to 20 years old. This serves to train them up in active Christian
work and gives them an interest. It also serves to cultivate and
develop useful members for later years.

We also urge our brother laymen to see that church buildings
are kept in comfortable condition, attractive, inviting. The
physical condition of the church is a good thermometer to the
spiritual condition of its members. Our church houses should
be such that would attract the young people and cause them to
have the proper respect for worship. Improvements would serve
to help build up the attendance.

We believe, that under the present improved transportation facilities, including good roads, in some instances two rural churches might be united to advantage, giving the pastor two Sundays a month instead of one. We would be glad to have the presiding elders consider this and, where it can be done without too much friction, we believe it would work out advantageously.

We commend many of our laymen for their faithful work in our Educational Campaign this year. We urge you to **stay on the job** and see that the pledges for the Educational Campaign and Centenary also are paid each year. Our church cannot afford to repudiate her debt. Neither can any Christian afford not to pay his obligation to the church. We laymen, upon whose shoulders the church should be laid, should never be satisfied until the obligations are paid. See to it that your church has a treasurer and that each member, or subscriber, is properly solicited—carefully, earnestly, and prayerfully. Brother Laymen, let your church be a part of your program of life. It deserves a part of your time and a part of your means. And, when you feel that you are giving too much, or working too much, read the third chapter of Malachi and go ahead.

We heartily endorse the earnest preaching which our faithful pastors have done along the line of stewardship and tithing. And we are glad to note the increased number who are tithing. Please continue to teach, preach, pray and read the Scriptures along this line to your congregations.

We regret to note that the percentage of family altars in the North Mississippi Conference is very low. We urge our pastors to lay stress on home Bible reading by the parents to the children. Have family prayers once a day. It is the anchor that holds our country in the day of storm. Without it our religious progress would be slow.

We believe it would strengthen our church for our ministry to teach our people more regarding Methodist doctrines—what we believe as Methodists and why we believe it. Avoid criticism of other faiths—simply teach our people the Bible ground for our belief.

We stand ready, as laymen, to serve in any way suggested by you pastors for a revival campaign in our church, hoping to build up the spiritual standard. We stand ready to put our shoulders to the wheel and help the good work along.

We suggest that the pastors in rural districts use active laymen in their churches on Sunday when they are absent, especially when they are trying to collect the pledges for the Centenary and Educational Movements.

Respectfully submitted,

D. H. HALL, Lay Leader.

Full Connection—The hour appointed having arrived, the Bishop called Question 4, Who are admitted into full connection? W. R. Liming, J. S. Maxey, Seamon Rhea, W. A. Wilson and S. C. Yates, having been for two years on trial and having passed the required examination, were called to the bar of the Conference, the Disciplinary questions were propounded by the Bishop, who also addressed the class earnestly, after which they were admitted into full connection by unanimous vote.

First Ballots—Pursuant to order, the Conference took up the election of delegates to the General Conference. It was found that the Conference had 218 members and is entitled to four clerical and four lay delegates. Bishop McMurry explained the law concerning the election and appointed the following tellers: Clerical: J. W. Ward, L. M. Lipscomb, W. C. Galceran, Carroll Varner; lay: R. E. Wilburn, R. M. Weaver, J. H. Sherard, J. H. McKinnon. J. E. Stephens was appointed Secretary to the clerical tellers and W. R. Lott for the lay tellers. Sunday School Report—The Sunday School Board made the following report which was read and adopted.

.. SUNDAY SCHOOLS NO. 1.

Your Board points with pride to the splendid success of Rev. R. H. B. Gladney, Field Secretary, in the teacher training work which he has fostered. Twelve circuit and station schools have been taught with an enrollment of 289. In the district school at Sardis, sixty-four enrolled, ten schools were reached and nineteen credits were issued. At the Corinth district school eighty-two enrolled, twelve schools were reached, and forty-three credits were issued. At the Conference Training School held in Grenada College, 130

enrolled, forty schools were reached, and eighty-seven credits were issued. Altogether, we have enrolled 683 for study and 454 credits have been issued.

A Wesley Bible Class Federation was formed at the school held in Grenada, which had a good attendance at its initial meeting.

The Board has re-elected Brother Gladney as Field Secretary and respectfully request his re-appointment.

We have secured the services of Miss Linda Ramey of Oxford as Conference Elementary Superintendent. She is well educated, well trained and religious. She will give her entire time and strength to the promotion of our Sunday School work, especially in the elementary department.

We ask the same assessment which the Conference carried last year for the promotion of our work.

Hospital and Orphans' Home—The Committee on Hospitals and Orphans' Homes made reports as follows, both reports being read and adopted after a brief talk by J. H. Sherard.

METHODIST HOSPITAL.

Your committee has had under consideration the full report of the Hospital Commissioners as read by J. H. Sherard and the verbal statement of Rev. L. H. Estes, Secretary of the Hospital.

We are gratified to learn that the dreams of years were realized on November 1st, when the doors of our Methodist Hospital were opened to the public, and a great throng gathered to inspect its rooms and grounds and admire its beauty. Early the next morning the first patient arrived, and in six days over fifty patients had been received. The hospital has a capacity of 150 beds, and can accommodate 225, if an emergency should require it. Dr. Henry Hadden, a graduate physician and an experienced hospital man is Superintendent, and Dr. Battle Malone, one of the fore-

most surgeons of the South is Chief of Staff. Eminent physicians and surgeons are associated with him. Any doctor of good standing is invited to bring his patients to our hospital. Special attention of the preachers is called to the need of more student nurses, and they are requested to present the matter to their young women and suggest to them the propriety of entering this noble profession.

Lucy Brinkley Hospital is to be remodeled and converted into a special Hospital for the treatment of ear, eye, nose, and throat cases.

The value of all our hospital property is \$916,000.00, with an indebtedness of about \$488,000.00 We have in unpaid pledges \$236,486.55.

We desire to make a few suggestions to the Conference. First, we have the most modern, most beautiful, and the most complete hospital plant in all the South. Second, we are beginning in this section a ministry of mercy and healing which we have too long neglected. We are preaching to the soul through the gentle truths of the healing art, the soft-voiced nurse, the surgeon's knife, and the doctor's skill. Third, in order to make possible the large plans of the Hospital Commissioners we urge our preachers to present to their people the opportunity of establishing Memorial Rooms at a cost ranging from \$1,000.00, \$2,500.00 or \$5,000.00 according to location.

We also endorse the plan of our Secretary to make the District the unit of special effort; following somewhat the plan so successfully adopted in the Memphis Campaign in May, 1920.

The fact that our hospital is at last open and at work is a challenge to our sense of duty and loyalty to this vitally important enterprise, which if supported in proportion to its possibilities for good, will through its ever broadening service, prove a noble monument to the unselfish devotion of our Church to the cause of humanity.

The solemn obligation rests upon preacher and laymen alike to do his full part in strengthening the financial foundation and thus enlarging the facilities and extending the sphere of usefulness of our Methodist Hospital; and to this end:

Be it resolved, That we individually and collectively pledge to the Trustees, the Board of Managers and Secretary our heartiest co-operation in every phase of the work of collecting outstanding subscriptions, and securing new donations to this institution, that it may fulfill in a glorious way its mission of ministering to the suffering children of men.

According to the records in our office at Memphis the following has been pledged and paid by the North Mississippi Conference:

District.	Pledged	Paid.
Aberdeen	\$ 4,872.60	\$ 1,566.85
Columbus	560.32	210.07
Corinth	3,302.65	1,137.50

Sardis	3,032.50	1,062.75
	<hr/>	<hr/>
	\$35,879.07	\$13,154.67

We recommend the election of the following Trustees to represent the Conference on the Hospital Board: R. A. Meek, R. A. Tucker, J. H. Sherard, Mrs. J. M. Wyatt, W. T. Reeves, T. G. James.

MRS. J. M. WYATT, Chairman.
D. W. BABB,
T. M. BROWNLEE,
J. H. SHERARD.

ORPHANS' HOME.

The Mississippi Methodist Orphans' Home is doing a great work which appeals to the generous impulses of all our people. We commend the faithful management of Rev. B. F. Lewis and Mrs. S. F. Riley and their corps of assistants. Many repairs have been made and new furnishings for the dormitories have been purchased during the year.

The finances are in excellent condition; but no pastor should be content unless his charge makes a regular monthly contribution to this worthy institution. We especially urge that this shall be the case during the coming year, lest other matters absorb attention and this great cause suffer embarrassment.

During the year Mrs. W. W. Scales, Jr., of Starksville, who was the representative of the W. M. S. on the Board of Directors passed to her reward. The W. M. S. has nominated Mrs. E. T. Clark of Cleveland as her successor. We submit her name for confirmation.

We recommend the re-election of J. H. Sherard and T. H. Dorsey on Board of Directors.

MRS. J. M. WYATT,
J. H. SHERARD.

Missions—Report number one of the Board of Missions was read and adopted after a talk by B. P. Jaco:

MISSIONS NO. 1.

The Centenary collections are now matters of most concern to your Board of Missions. Outside and beyond the amount ordinarily expected from the regular mission assessment, your Board, with full approval of the Conference, has built up a structure on the foundation of Centenary collections, which must be maintained if the larger interests of the church are to be conserved.

Your Board, through Centenary collections, has rendered substantial aid found necessary in the charges where certain of our State institutions are located; the effort being to supply the needs of hundreds of Methodist students now in these institutions.

For the past year a demonstration circuit has been maintained where the consecrated and effective young pastor, N. D. Guerry, has shown in a most admirable way the achievements possible in a rural charge, which shall stand as an example of intensive cultivation for the instruction of rural pastors and people, and as a practical demonstration of rural development.

During the past summer ten of our rural pastors were sent to Lake Junaluska to attend upon a school of instruction. It is the hope of your Board that men thus taught may gain vision, knowledge and zeal, which will result in the development of many rural communities. We hope this policy will prove permanent and secure large benefit to the entire Conference.

Since Centenary collections began more aid has been given mission charges than ever before in our history. Even now this aid is insufficient and many rural preachers are inadequately supported. However, it is solely because of the income from the Centenary that additional help has been available. If these collections are not pushed with vigor real suffering will result on mission charges. Fifty-five charges, practically one-third of the

North Mississippi Conference, are more or less dependent upon the Mission Board for support.

The Centenary has a world meaning. The General Board by means of Centenary collections has projected the missionary work of the church into many new fields, and has done much to make the old fields more effective. If Centenary collections fail this magnificent structure will suffer a strain which will be dangerous to its life.

Approximately \$850,000.00 was subscribed by this Conference in the Centenary campaign. Three years have passed and only about \$260,000.00, or thirty per cent, of this amount has been paid. It would be serious if the church should lose any considerable part of the remainder. We, therefore, urge that immediate and serious attention be given to Centenary collections. The Board of Missions has formulated plans for collecting subscriptions. We recommend that these plans be applied and earnest effort used in their execution. The first week in January, next has been set aside as Centenary Pay Up Week. We trust the desired results will be attained. These Centenary pledges are sacred obligations. Faithfulness to God and loyalty to the church demand that every effort be employed to facilitate their payment.

It is the judgment of the Board that the Conference Missionary Secretary is vital to the organized effort to complete the Centenary program. We, therefore, recommend the re-appointment of Rev. B. P. Jaco to this position. He has been faithful, efficient and zealous in the prosecution of this great work.

Respectfully submitted.

E. NASH BROYLES,
For the Board.

Assessments—A resolution was offered directing the Finance Commission to fix all assessments on the basis of the salaries of the pastors. After considerable debate a substitute was adopted, ordering the appointment of a commission to work out an equitable basis for assessments and report to the next Conference, the commission to be composed of one member from each presiding elder's district. The following were elected. J. E. Cunningham, T. M. Brownlee, D. H. Hall, L. A. Marshall, Percy Bell, L. M. Lipscomb and J. D. Turley.

Spiritual Interests—The Committee on Spiritual Interests made the following report which was read and adopted:

SPIRITUAL INTERESTS.

Your committee has given careful attention to the reports of the pastors and presiding elders and rejoices to note the successful revivals and the additions to the church on profession of faith which number approximately four thousand.

We urge the necessity of a Conference-wide revival that we may make the coming year the greatest in our history in awakening our people to spiritual things. Since the Centenary and Education Movement have been valuable in stirring our people through their "Spiritual Resources Department," we recommend a continuation of the effort to increase the number of family altars and to promote the spirit and practice of prayer among our people.

The prayer-meeting should express the spiritual pulse of any congregation, and too much stress cannot be placed on this arm of the service for promoting spiritual growth.

At the risk of trespassing upon the field of Sunday school activity, we would urge Sunday school superintendents, officers and teachers to seek to promote a deeper devotional life through the worship in the Sunday school, and also to be diligent in bringing children to a definite decision for Christ.

We regret to note that many of our people are being drawn into worldliness through degenerate, commercialized picture shows, and the indiscriminate mingling of boys and girls, men and women in public bathing resorts, as well as by the evils of club houses, dance halls, and automobile riding by young persons unattended by chaperones. These things not merely destroy spirituality, but undermine the very moral life of those who participate. We urge our pastors to cry out against these and other evils and to preach the simple gospel message which is the power of God unto salvation.

CARROLL VARNER, Chairman.
R. P. NEBLETT, Secretary.

Conference Sermons—The following resolution was adopted: In order to promote the spiritual interest of the Conference itself, Resolve, That we request the Bishop who may preside at the next session of the Conference to preach a series of sermons during the session, or to select some other minister to do so.

CARROLL VARNER,
R. P. NEBLETT.

Temperance and Social Service—The following report on Temperance and Social Service was read and adopted:

TEMPERANCE AND SOCIAL SERVICE.

We feel that this country has the right to congratulate itself upon the incorporation of the prohibition amendment into our fundamental law. We feel that this is one of the greatest civic achievements accredited by history to any people. But in our pride at this achievement, we cannot afford to forget that laws are only sustained when re-enforced by public opinion. The mere enactment of prohibition does not necessarily lead to its enforcement. Its enactment was brought about through a state of public opinion which was produced by discussion and agitation, and these were largely the work of the ministry continued through a long period. The eradication of so old and wide-spread an evil as drunkenness can only be accomplished by long and earnest effort.

Therefore, we recommend that our pastors preach upon the enforcement of law, emphasizing especially the one under consideration. and that our people abstain from the purchase and use of intoxicating liquors.

We desire again to call attention to the possible evils of the picture show and to suggest that our next Legislature pass suitable legislation upon the subject.

We have had before us a report adopted at Junaluska in regard to interracial relations. This is a dark and perplexing question,

so complex and varied in its form as to defy all attempts at its solution in any general terms. In every State and community the race question may and often does assume a different form. Without even a pretence of the exhaustive consideration of so great a problem, this Committee submits the following conclusions:

1st. That the discussion of the question, unless done with the greatest wisdom, may result in more harm than good.

2nd. That the problem cannot be settled by outsiders unacquainted either with its real nature or its difficulties.

3rd. That the parties immediately concerned are the best judges of its nature and are the proper agents for its solution.

4th. That the nearest approximation to a solution will be found in that community whose members are guided in their dealings with each other by the teachings of our Lord. The Church can only preach these teachings and must leave to each individual the responsibility for their realization in life and conduct.

5th. That when we consider the wide difference between the two races, the innumerable occasions of friction arising from their close and constant contact, the marvel is that things are as well with us as they are. And when we consider the depth of barbarism from which the Negro has come to his present condition through his association with the white man, we feel that the whites of the South have won a crown of honor.

Christian Literature—The Board of Christian Literature presented its report which was read and discussed for some time and finally deferred for consideration just after the reading of the minutes at the afternoon session.

Afternoon Session—On motion, the Conference resolved to meet at 2:30 p. m.

Sunday Schools—The Sunday School Board made its report which was read and adopted as follows:

SUNDAY SCHOOLS NO. 2.

We beg to report that your Board has given diligent attention to all matters pertaining to the furtherance of our Sunday School work for another year. We have found that there are 19,300 churches in southern Methodism and that 17,000 of these are on circuits. We have 15,400 Sunday Schools with a total enrollment in all departments of 1,652,250. In our own Conference territory there are more than 500,000 children and young people under 25 years of age and it is estimated that 64 per cent are receiving no religious instruction through the regular agencies of the church. If it be true that 85 per cent of all recruits won for the church come out of our Sunday Schools what a terrible calamity it would be if our Sunday Schools should close their doors!

Our problem is very largely a rural problem. It is a problem first with the pastor not that the pastors are opposed to the Sunday School but the sober truth is, that few of us know how to make the most of it. Attendance upon the standard Training Schools from time to time, studying at home the books offered in the various courses of study would tend to supply a deficiency from which we have greatly suffered.

Our third Conference wide Standard Training School will be held at Grenada College, June 1-7, 1922. The very best instructors that can be procured will be engaged at an early date and due announcement made. The Board purposes, also, to hold at least four District Training Schools, provided we have sufficient funds and can secure the places to hold them. The Field Secretary is planning to hold quarterly Circuit Institutes, wherever arrangements can be made for same.

The Board would respectfully ask each presiding elder to appoint one man in his district to foster the observance of Sunday School day to the end that the Sunday School Day message may be carried to the last school in the District and that the Board may have a more adequate income.

We point with pride to the splendid literature being provided for our schools under the supervision of Dr. E. B. Chappell. It is far better for our needs than any that may be procured from the outside. We make special mention of "The Methodist Superintendent and His Helpers," the three new papers to be issued in place of the Visitor to begin the first of 1922. These papers are to be called "Our Young People," designed to meet the needs of the young people, "The Haversack" for the boys and "The Torch Bearer" for the girls.

We urge upon our pastors and superintendents the observance of childrens' week according to programs to be sent out in sufficient quantities to meet their needs.

Our schools within the Conference raised the past year \$7,000 for Centenary specials. Next year we ought to make the raising of not less than \$10,000.00 our goal. We would respectfully request that the offering in the Sunday Schools on the 5th Sunday in January be set aside for work in the respective districts and that the pastors and Superintendents be urged to encourage the same, said offerings to be sent to the Conference Sunday School Treasurer.

The Board is grateful to Dr. Emmet Hightower, associate editor of our Sunday School Literature, for his wise counsels in our meetings and for his timely address upon the occasion of our anniversary.

E. S. LEWIS,
For the Board.

Abuse of Pardons—The following resolutions in regard to the abuse of pardons was adopted.

ABUSE OF PARDONS

Whereas the Methodist Church has always been a champion of law enforcement and Christian citizenship and for many years has worked with other denominations to secure constitutional prohibition of the manufacture and sale of intoxicating liquors in the United States; and, whereas

After the constitution was so amended there began all over the country the unlawful distillation of liquors, so that the peace and happiness of our country are threatened by this great evil, and the crimes following in its wake, therefore

Be it resolved by the North Mississippi Conference that we pledge our membership to fight this great evil and other forms of lawlessness until our country is made a fit habitation for Christian people.

Be it further resolved that we most earnestly protest against the pardon of a man convicted of crime or suspension of the penalty until the petition for same has been published for thirty days in a newspaper published in the county where the crime was committed, and until the district attorney who prosecuted the case and the trial judge who imposed the penalty have been furnished a copy of the reasons assigned for the pardon or suspension of the sentence and then give time to show to the governor and Pardon-ing Board the reasons for or against the same being granted. We believe when a grand jury has indicted a person and a petit jury has convicted him after having given him the benefit of every reasonable doubt of his guilt and the Supreme Court, finding no errors in the case, has affirmed the same, that there be no pardon or suspension of the sentence unless it can be shown that a great injustice has been done the accused.

Be it further resolved that the other denominations of the State be requested to join us in this effort to check the alarming increase in the number of pardons granted in our beloved State.

Be it further resolved that the secretary of this Conference have these resolutions published in the church paper and the Commercial Appeal of Memphis, and that he send a copy of the same to the State Pardon Board and the Governor of Mississippi.

SABBATH OBSERVANCE.

Sabbath Observance—God instituted the Sabbath that man's physical being might have a day of rest and his spiritual being a day of worship. Any individual who observes the Christian Sabbath as God intended, keeps his body, the house of the spirit in better condition for doing active work and at the same time maintains a more wholesome spiritual life. This is true not only of the individual but of the community, State and Nation.

Sabbath observance is essential to the best development of the life of individuals, states and nations. To disobey it is to spoil, to a great degree, the glory of the kingdom of Christ and to blight the ideals which we have held sacred.

Conscious of the high place that the South should hold in the life of any people, we must go about with sad faces when we realize the great extent to which our American people disregard the Lord's Day. While the churches, which should be filled with worshippers, are suffering the bleakness of empty pews, people throng to see the Sunday baseball game. When hearts should be filled with joy and peace at the Sunday services they are occupied by joy rides, which take them from the house of worship. On the day when people should be making their investment in heavenly treasure they are yielding to the temptation of the open store and shop to invest in soft drinks and other luxuries in violation of the will of God.

Your committee is very anxious that the sacredness of the Sabbath be conserved in the hearts of all the people. Therefore, we recommend

First. That this Conference speak in no uncertain tones against Sunday ball games, joy rides, open stores, picture shows, and every-

thing else which tends to rob the church of its best attendance, to lower the ideals of the people, and to destroy the reverence long held for the Sabbath.

Second. We recommend that this Conference memorialize the State Legislature to repeal the law permitting the sale of gasoline on Sunday, and asking them to define a lunch, and that it be made unlawful to sell soft drinks on Sunday as part of a lunch.

H. E. CARTER,
For Committee.

Term of Bishops—The Conference unanimously adopted the following memorial:

Whereas several of the annual Conferences have memorialized the General Conferences to limit the term of office of bishops to four or eight years, and, whereas we believe such a change will be detrimental to the whole church, resolved that we, the North Mississippi Annual Conference, respectfully memorialize the said General Conference to take no action on said memorials, nor to make any law that will put limitation on the term of office of Bishops.

American Bible Society—The American Bible Society Board made the following report, which was read and adopted:

AMERICAN BIBLE SOCIETY.

The American Bible Society had its birth in the city of New York May 8, 1816, and has, therefore, been in active existence more than one hundred busy, eventful years. No report can ever find time and space to do justice to this wonderfully working organization, whose purpose was, is and ever shall be to scatter the gospel broadcast over the world. Bibles without note or comment are distributed at the cost of publication and distribution, and even free of cost when needs demands.

The Society now employs more than twelve hundred workers in the eleven agencies in foreign lands and upwards of five hundred in America. It is now distributing annually between three and four million copies of the Word of God. Since its beginning it has distributed no less than one hundred thirty-eight million volumes in more than one hundred fifty languages and dialects. No section or class is overlooked or neglected. The Word is supplied in at least sixty languages in America alone.

Without the Word of God all Christian endeavor, at home or abroad, would be as vain as a body without breath or a world without light. The Society commands and demands our hearty

support, and must have our sympathy and co-operation, our means and our all of anything necessary and reasonable to further its usefulness

R. M. EVANS,
For the Board.

Conference Relations—The Committee on Conference Relations made its report, which was adopted, furnishing answers to questions 18 and 19, as follows:

Question 18, Who are Supernumerary? D. H. Crowson.

Question 19, Who are Superannuated? R. I. Allen, J. W. Anderson, J. W. Bell, W. J. Burt, Thos Cameron, D. L. Cogdell, W. C. Harris, J. M. Huggins, E. Johnson, A. W. Langley, W. J. O'Bryant, B. P. Patterson, James Porter, J. Richey, H. G. Roberts, E. H. Rook, C. N. Terry, W. D. Wendel and O. L. Savage.

The Committee on Evangelism submitted the following report which was adopted as follows:

EVANGELISM.

We rejoice that revival meetings have been reported from almost every section of our Conference. There have been several thousand conversions, and a goodly number have been added to the church. Preachers and people are craving a deeper consecration and a closer walk with God.

Great success has attended the labors of both W. M. McIntosh, General Evangelist, and W. A. Wilson, Conference Evangelist. They report nearly one thousand conversions. We recommend Bro. McIntosh to the General Board for reappointment. We also recommend W. A. Wilson for reappointment as Conference Evangelist.

Respectfully submitted,
W. L. GRAVES,
T. M. BROWNLEE.

DISTRICT RECORDS.

The Committee on District Conference Records made its report, which was adopted, as follows:

We have had before us the records of the districts, and make the following criticisms:

The records for the Aberdeen, Corinth and Greenwood District Conferences are well and neatly kept with one exception—official rolls have not been recorded. The Columbus District Conference recorded has the minutes pasted in. No official roll is recorded. The record for the Grenada District has the minutes loosely pasted in, therefore, is not well kept. The Greenville District record is a loose leaf note book. Not being permanently bound, it is not a good record. The record for the Sardis District appears very neat and well kept.

THOMAS H. MILLS,
W. M. LANGLEY.

Transfers—The Bishop called Question 6, Who are received by transfer from other Conferences? He announced the transfer of R. C. Mayo in the class of the third year from the Missouri Con-

ference; O. A. Clark, in the class of the second year from the North Arkansas Conference; Del Longgrear, an elder, from the St. Louis Conference; C. M. Chapman, an elder, from the Mississippi Conference.

Epworth Leagues—The Epworth League Board made its report which was read and adopted as follows:

EPWORTH LEAGUES.

We are glad to note the advancement of the young people's work through the Epworth League. While there are other channels of service open to those of League age, yet there is no agency which fills the place of the League in unfolding and developing the life of our youth.

Twenty-two chapters have been organized in our Conference this year and the Central Office assures us that more charters are being issued than for several years past.

In June we had at Grenada College one of the most interesting and inspiring Summer Conference we have ever held. We urge all churches and charges to send their choicest young people to the League Conference which will be held at Grenada College next summer. A chain of District Institutes was also held during the year. These brought us in close touch with the district and local work.

We urge the observance of Anniversary Day and that an offering be taken and sent to the Treasurer. This should enable us to do a larger work.

We have adopted a policy, one item of which is an Epworth League in every charge. Presiding elders and pastors are earnestly requested to assist us in carrying this out. We further request the pastors to use our district secretaries in organizing new chapters and in strengthening those already in existence.

Adjournment—The doxology was sung and Conference adjourned with the benediction by J. R. Countiss.

FOURTH DAY—AFTERNOON SESSION.

Opening—Conference met at the hour appointed, Bishop McMurry in the Chair. The hymn beginning,

O, for a lowly contrite heart,
Believing, true and clean,

was sung and W. E. Stokes led in prayer.

Minutes Approved—The minutes of the morning session were read and approved.

Order of the Day—The order of the day was taken up and the report of the Board of Christian Literature was again read for the information of the Conference. There was some discussion and various pastors pledged a number of subscribers to the New Orleans Christian Advocate. The Conference instructed the Secretary to send the list of those subscribing to the presiding elders. The report of the Board of Christian Literature was then adopted as follows:

CHRISTIAN LITERATURE.

Since last Conference, we have distributed twenty-five hundred leaflets on such subjects as Salvation, the Lord's Supper, Baptism, and others on the peculiar doctrines of Methodism. We are preparing to enlarge this work the coming year and are maturing plans for reaching the people more effectively with this simple, but helpful literature. In this way, we hope to do much for the good of the church and the glory of God.

The Publishing House is in a flourishing condition as indicated by the report of agents. Their statement shows, however, that the Christian Advocate and the Methodist Review are not as well patronized as their merit deserves, both being published at a loss to the House.

The condition of the New Orleans Christian Advocate gives us great concern. We have come to a time when something worth while must be done for the Conference organ. It has at present only a little more than 5,000 subscribers. At the subscription price of two dollars per year, this will not cover running expenses, much less accounts outstanding. To meet this crisis the Publishing Committee recommends two plans, both of which this Board endorses.

First, To continue the assessment of \$1,500, which is the same as last year.

Second, To make a vigorous campaign to increase the subscription list. Both the Publishing Committee and this Board place decided emphasis on the latter method. The Publishing Committee advised a vigorous presentation of the matter to the patronizing Conferences, asking that J. H. Felts place the cause before this body and urge the pastors to pledge a definite number of subscriptions from their several charges. Last year, this Conference furnished 3,500 subscribers. These, with the assessment, would yield \$8,500. If we can increase the number of subscribers to 9,700, we can support the paper to the extent of \$20,000. It is the belief of the Board that a moderate effort in the various charges

will produce this quota, and some charges can do even more. If we can do this, the The Advocate can be brought through this crisis, with the help of the other patronizing Conferences. The best of the plan is that the Advocate will reach more readers and so more nearly meet the purpose of its existence. We can, we should and we will succeed in our efforts.

We recommend that this Conference memorialize the General Conference to consider the wisdom of so grouping the Conferences as to give to each organ a larger patronizing territory that a more efficient service may be had.

Respectfully,

J. W. DORMAN, President,
J. M. WYATT, Secretary.

Memorial Home—The Board of Missions made report number two which was read, adopted as follows:

MISSIONS NO. 2, MEMORIAL HOME.

Your Board has heard from Brothers Snelling and Childress of the excellent work done in the Memorial Home at New Orleans, La., and we recommend that this Conference continue its relation with this institution as heretofore, and that W. E. Stokes, E. N. Broyles and Mrs. W. V. Pittman be continued as our representatives in the management of the Home, and that they be empowered to act for this body in all matters pertaining to the Home. We recommend an assessment of \$3,500 for the support of the Home for 1922, the same to be apportioned to the several districts.

E. G. MOHLER, Secretary.

Greetings—Mrs. R. P. Neblett brought the Conference a brief message of greetings from the Woman's Missionary Society

Assessments—The following resolution was passed, after the previous action asking for a larger assessment for Conference Missions had been reconsidered:

Whereas, We are falling short of our goal in the collection of assessments on our various benevolences,

Resolved, That it is the sense of this Conference that no increase in existing assessments shall come from any Board or source whatsoever for the ensuing Conference year.

J. H. FELTS.
R. O. BROWN,
J. R. COUNTISS,
T. H. DORSEY.

Constitutional Change—The General Conference requested the several Annual Conferences to vote on the question, "Shall the Twenty-third Article of the Disciplines of all our Churches in foreign lands read:

"XXIII. Of the Duty of Christians to the Civil Authority.

"It is the duty of all Christians, and especially of all Christian ministers, to observe and obey the laws and commands of the governing or supreme authority of the country of which they are citizens or subjects, or in which they reside, and to use all laudable means to encourage and enjoin obedience to the powers that be?"

The question of the change in the XXIII Article of Religion in the Disciplines of all our Churches in foreign lands was submitted to the North Mississippi Annual Conference at its session in Amory, State of Mississippi, on the 19th day of November, in the year of our Lord 1921. Ninety-one members were present and voted. Ninety-one members voted in favor of this change and none voted in opposition.

CHURCH EXTENSION

The Board of Church Extension made its report which was read and adopted as follows:

Your Board of Church Extension has received a large number of applications for aid in building churches and parsonages. This indicates that we are not at a standstill, but that there is a revival of building among us. This revival vividly impresses us that our income is not sufficient for our needs. Our Loan Fund at the beginning of this year was \$3625. After paying 50 per cent to the General Board and passing 10 per cent of the remainder to our Loan Fund, we had left for donations only \$2848. We are in imperative need of a donation fund of \$5000 per year and a greatly enlarged Loan Fund.

The prosperity of the General Board continues. Its income from all sources the past year was \$1,400,769 of which \$397,000 was from the Centenary collections. This is an increase of \$226,708 over the preceding year. The Loan Fund capital is now \$1,856,623.

We urge the members of this Conference to secure plans for proposed church buildings from the General Board of Church Extension at Louisville, Ky. The Department of Architecture will submit plans free of cost, or investigate plans made by others, and thus save many costly mistakes in the construction of churches and parsonages.

We are glad to note that the General Board will at an early date inaugurate a department of church and parsonage insurance. It appears that our church paid out in the year 1919 and 1920 \$299,273 more than she received in fire insurance. If such sums as this could be conserved for twenty years, our Loan Fund could be increased from less than two millions to more than five million dollars without any other contribution. We urge that all insurance on churches and parsonages be placed with this department so soon as it is organized.

It has often occurred that charges receiving grants from your Conference Board have permitted a year or more to pass without availing themselves of the funds appropriated. We have, therefore, passed an order that all such grants shall be revoked at the next annual meeting unless good cause is shown for the delay.

We request presiding elders to see that all applications are properly filled out before they are presented for our consideration.

We have ordered that full information regarding what has been done or is to be done on a church or parsonage shall be written into every application presented for our consideration.

Your Board has made the following donations and loans:

EDUCATION NO. 2.

The Board of Education made report number two, which was read and adopted as follows:

Your Board of Education notes with gratitude and joy the evidences of a great awakening throughout the Church to the obligation and opportunity of the Church to give to our young people a distinctly Christian training and equipment for life service. Our Conference has been thrilled by the messages of encouragement, progress and hope brought to us by our General Secretary and

the Director of Ministerial Supply and Training. Five thousand young people have brought their lives to the altar of the Church and offered them for definite Christian service. For this we thank God and rejoice.

We wish to call attention to the tabulated report of our Conference Educational Secretary who has rendered such splendid service in the Educational Campaign in our Conference. This report shows a subscription of \$420,286.67 on the Educational Fund.

The report of Dr. Watkins, from Millsap College showed remarkable growth in the attendance at Millsaps as well as the character of the work being done.

The report of Dr. Countiss for Grenada College indicates a gratifying growth and improvement at Grenada College. We wish to most heartily commend these two splendid institutions of our Church to the patronage and loyal support of our people. They are our own and we feel just pride in them. They are equal to the best.

We recommend the reappointment of J. R. Countiss as President of Grenada College and J. E. Stephens to the chair of Religious Education.

Your Board recommends the following assessments for the ensuing year:

For Millsaps College	\$ 5,000.00
For Grenada College	5,000.00
For Ministerial Loan Fund	700.00

We recommend the election of L. P. Wasson to take the place of O. W. Bradley on the Board of Trustee of Millsaps College.

We recommend the appointment of Rev. J. S. Duncan as student in Emory University.

FINANCE,

The Board of Finance made its report which was read, adopted as follows: We are glad to be able to report to the Conference that commendable progress has been made by our Field Agent, Rev. J. H. Bell, in securing cash subscriptions to the Superannuate Endowment Fund, when account is taken of other causes before our church. Considering the need in this field, we have unanimously decided to continue a man in this field and we, therefore, recommend the re-appointment of J. H. Bell to this work and urge all our pastors to give him open door to their charges and to give their personal endorsement to the cause which is so close to our hearts.

We further recommend that this Conference memorialize the General Conference to give the General Board of Finance right of way to increase the General Superannuate Endowment Fund by an methods which may be deemed wise and necessary.

W. C. GALCERAN,
Treasurer, Board of Finance.

The Board of Missions made its report which was read and adopted as follows:

MISSIONS NO. 3.

Your Board of Missions, facing the most extraordinary conditions, has made a careful and painstaking study of all problems presented for its consideration and has endeavored to meet them in a sane, business-like manner. We realize that the new world and new world problems call for a higher vision, a greater faith and a more daring conception of our mission and responsibility. Conscientious of these facts, and feeling keenly our responsibility, we make the following recommendations:

That no additional demonstration circuits be established at present. That the sum of \$300 be appropriated to defray in part the expenses of circuit preachers to be sent to the school which is to be established in Birmingham, Alabama, for rural pastors, and that the preachers to be sent to this school be selected in equal numbers from the districts of the Conference by the Executive Committee of this Board upon nomination of the presiding elder of each district.

We regard the demonstration circuit as of great value to our Conference. A character of work has been done on this circuit which, if continued, will, we believe, demonstrate the possibility of making most of our circuits stronger, more efficient, and finally self-supporting. We further believe that it will show our worthy rural pastors the way out of a situation that on the surface is very discouraging. Our rural work has been suffering and we earnestly desire to give them the best advantages it is possible for our church to supply. We recommend the reappointment of N. D. Guerry as pastor of Shuford Demonstration Circuit.

We have emphasized in a previous report the necessity of Centenary collections. We place equal value upon the collection of the assessments laid by the Conference. It requires the income from both for the support of the work which has been undertaken and which must be maintained.

We recommend that the presiding elders require all pastors who receive aid from this Board to make quarterly reports of the work done in their charges, said reports to be forwarded to the Secretary of this Board that we may give them due consideration at our mid-year meeting, and also early in the Conference session.

E. G. MOHLER,
E. N. BROYLES, for Bd.

BISHOP LAMBUTH

The Conference unanimously adopted the following resolutions in regard to the late lamented Bishop Walter Lambuth:

Whereas, In the providence of God, our sainted Bishop Lambuth has been called from labor to rest, and

Whereas, The Church has lost one of her greatest Bishops, her greatest missionary pioneer and one of her most forceful leaders, Therefore, Be it resolved,

1. That we bow in submission to the divine will that has called him from us.

2. That we express our deepest gratitude and thanksgiving to our heavenly Father for this wonderful man of God, for the great work he accomplished and for the lasting impress made upon Methodism by his life of industry and faith.

3. That we convey to his bereaved family this expression of our profound sympathy in their irreparable loss.

4. That we commend to our ministry the example of this saintly martyr who seemed never to tire and who died at his post as worthy of their sincere and earnest emulation.

MEMOIRS

JAMES C. McELROY.

Rev. James C. McElroy, son of William P. McElroy, was born in Winston County, Mississippi, on January 24, 1862, and departed this life on the morning of June 20, 1921. He was converted and joined the Baptist Church at the age of twenty-seven. Two years later he took license and preached in the Baptist Church for sixteen years. He then joined the Methodist Church, and for fourteen years was one of our most faithful and earnest preachers. During his ministry in the Methodist Church he received over five hundred members into the Church. During these years one young man, Rev. W. O. Hunt, entered the ministry under his instruction. In 1907 he served the Mooreville and Saltillo charge as a supply, and in the fall joined the North Mississippi Conference at Columbus. As a member of the Conference he served the following charges: 1908, Smithville; 1909, Wall Hill; 1910-13, Slate Springs; 1914-15, Mashulaville; 1916-18, Sturgis; 1919-20, Chester. In 1920, while on the Chester charge, his health gave way and for eleven months he was confined to his bed, three months of this time having been spent in a hospital at Memphis. He seemed fully to realize his condition at the very beginning of his illness and said, "I feel that I shall never be well again, and while I regret to give up my work and leave my family, yet I am resigned to God's will." And so he was. The analysis of Bro. McElroy's character shows a number of elements. He had great faith in the word of God and stated his convictions so clearly and with such force that all who heard him realized that he had no doubt about their truth. So readily did others accept his statements that he carried with him the people who attended on his ministry. It was not difficult for Bro. McElroy to reach and convince his hearers as it is for one who hesitates about the truth of his own convictions. Without hesitation he pronounced the "Thus saith the Lord."

To his decided convictions he added the strength of a simple but consecrated life. Daily he lived as he believed. The faith which came to him from reading and believing the Bible made his personal life strong and influential. He preached by example as well as by precept. Those who associated with him knew that he had a personal experience of the religion which he preached. His personal life he carefully guarded for his Master's sake. With this strength there was no evidence of a consciousness of personal superiority. He was humble but powerful. He was simple but mighty. Combine these elements and you have the secret of Bro. McElroy's success. It was a success of an abiding kind. With the going of his body his personal appearance vanished but the saving power abides in the charges which were the scene of his activities.

He was not handicapped by such foibles as interfere with work of many others. Thus our ascended brother leaves for his church and the world a gracious influence for good. He was laid to rest in the cemetery at Weir by W. L. Stormont and other sorrowing friends. In 1905 Bro. McElroy was happily married to Miss Ethel

V. Stevens of Montgomery County, Miss. Four children were born to them, one of whom died in infancy. Sister McElroy and three children remain to mourn their loss. May God comfort and bless them in their affliction.

J. W. DORMAN.

D. C. FOUST.

Rev. Daniel Columbus Foust, son of John and Sarah Foust, was born July 12, 1851 in LaFayette County near Oxford, Miss. He was converted and joined the Methodist Church in August 1867. He received his education at the University of Mississippi though he did not graduate. He was licensed to preach by Rev. Amos Kendall, Presiding Elder, March 3, 1873. He was admitted on trial in the North Mississippi Annual Conference at Kosciusko in 1875, and was received into full connections at Holly Springs in 1877. He was ordained deacon by Bishop Keener in 1877 and elder by Bishop Kavanaugh in December 1879 at Water Valley.

On November 4, 1877 he was happily married to Miss Josie L. Hudgins, daughter of Rev. J. E. Hudgins, near Oxford, Miss. Three children were born to this union, one dying in infancy. His son, Rev. K. P. Foust died January 3, 1919. His daughter, Mrs. J. M. Autry, lives at Hickory Flat, Miss., where Sister Foust will make her home.

Bro. Foust served the following appointments; all in the North Mississippi Conference, 1876-78, Caswell Circuit, 1879-80, Attala Circuit; 1881, Fulton Circuit; 1882-85, Banner Circuit; 1886, Lexington; 1887-89, Winona Circuit; 1890-92, West Circuit; 1893, Chester Circuit, 1894-95, Louisville Circuit; 1896, Eupora Circuit; 1897, Saltillo Circuit, 1898-99, Guntown Circuit; 1900-01, Kossuth Circuit; 1902-03, Okolona Circuit; 1904, Beuna Vista Circuit; 1905-06, Coffeeville Circuit; 1907, Abbeville Circuit; 1908-11, Ashland Circuit; 1912-13, Wheeler Circuit; 1914, Vardaman Circuit; 1915-18, Smithville Circuit; 1919, Wall Hill Circuit; 1920-21, Hickory Flat Circuit.

Bro. Foust passed to his eternal home at midnight Sunday, October 15, 1921. He was laid to rest in the cemetery at Hickory Flat on the afternoon of the following day, after funeral services at the Methodist Church conducted by Rev. J. B. Randolph. He had preached on Sunday morning at Ebenezer Church from this text: "Surely I come quickly. Amen, even so, come Lord Jesus." Rev. 22:20. He spoke often going home to and of going to Heaven but never of dying. Bro. Foust was a strong, earnest preacher, a good husband and a kind and indulgent father. He had a long fruitful ministry, having spent forty-six years as an itinerant.

"The voice at midnight came
He started up to hear,
A mortal arrow pierced his frame,
He fell but felt no fear

His sword was in his hand,
Still warm with recent fight,
Ready that moment at command
Through rock and steel to smite.

The pains of death are past,
Labor and sorrow ceased,
And life's long warfare closed at last
His soul is found in peace."

We extend sincere sympathy to the bereaved loved ones.

J. B. RANDOLPH.

REV. RICHMOND POLK GOAR.

Richmond Polk Goar, son of R. B. and Mary C. Goar, was born in Choctaw County, Mississippi, June 6, 1844 and died at Pittsboro, Mississippi, Nov. 15, 1921. He was educated in the common schools, attaining a fair English training. He was converted at Ebenezer Camp Ground and was licensed to preach at Mt. Nebo in 1871. He was ordained as a local deacon by Bishop Doggett at Aberdeen in November, 1874 and ordained local elder by Bishop Kavanaugh at Water Valley in November, 1879. He was admitted on trial in the North Mississippi Conference at Columbus in 1880 and served the following appointments in the same Conference: 1881, Benela; 1882-3, Pittsboro; 1884-7, Mt. Vernon; 1888, Charleston; 1889-90, Horn Lake; 1891-2, Arkabutla; 1893, Mt. Vernon; 1894-7, Chester; 1898, Pleasant Grove; 1899, Paris; 1900-01, Pleasant Hill; 1902-3, Cockrum; 1904-7, Pittsboro; 1908, Bounds; 1909, Vardaman; 1910-11, Derma 1912-13, superannuated, but served Toccoola the latter year and also in 1914; 1915, Palestine; 1916-17, Algoma. At the close of 1917 he went on the retired roll and so remained till his death.

Brother Goar was twice married, his first wife being Miss Sallie Naron, whom he married in 1866. In 1899 he was happily married to Miss Georgia Coggin who carefully kept the home in his absence, tenderly ministered to him in his long affliction, and now survives with six of their children, mourning the absence of her beloved husband. A son and daughter of the first marriage also survive.

He was a gifted minister of the old school, soundly converted, deeply pious, gifted in earnest exhortation and in preaching the great doctrines of salvation. He was never so happy as when engaged in holding a revival meeting, and great numbers were converted and added to the church under his ministry. Of stalwart frame and rugged and unfaltering courage, he traveled large circuits and made his way in the face of obstacles which would have discouraged a timid soul. He was a zealous and popular pastor and was returned the second and even the third period to some of his charges.

Decided and positive in his convictions, his position was never in doubt. His utmost best was esteemed none too good for any cause in which he enlisted. At the age of seventeen, he joined the Confederate army and fought through four years, suffering a severe wound at the battle of Shiloh. Though ever a lover of the "lost cause," he was a loyal citizen and stood for all that is best in our National life. He was diligent and thrifty, making always careful provision for his large family and leaving them at the end a neat cottage on a small tract of land which he spent his last years in developing and cultivating.

The last year of his life was one of great suffering. Attacked by acute rheumatism, he was often in great agony. He bore his affliction with Christian fortitude, anxious to depart and be with Christ, yet resigned to wait the Father's own good time for the summons. It was a benediction to visit his bedside and receive his blessing as he talked of Heaven and sent his love to the absent brethren. God giveth his beloved sleep and his toilers rest. At midnight on November the fifteenth, just as his comrades of North Mississippi were gathering in their annual session at Amory for roll call, he heard and answered in the roster of the skies, and was gathered with the saints in glory everlasting. May those who miss him here so live as to meet him yonder!

REPEAL OF THE MORTAIN LAW.

The following resolution was unanimously adopted:

Resolved, That the North Mississippi Conference of the Methodist Episcopal Church, South, in annual session assembled, do hereby petition and request the Legislature of the State of Mississippi at its approaching session to submit to the voters an amendment to the State Constitution repealing the section of the same which forbids devises and bequests by will to charitable and benevolent institutions.

MEMORIAL

The following memorial to the General Conference was adopted:

Whereas, questions of speculative Biblical Criticism, affecting the inspiration, authority, and historical veracity of the Holy Scriptures as a Divine Revelation, are now agitating the Church. and

Whereas, speculative evolutionary theories as to the origin and history of man, contradictory to the Biblical record and destructive to the whole Christian Plan of Redemption are now widely prevalent. and

Whereas, a new Rationalism which, in the name of the "Christian consciousness" and the Spirit's illumination of the student today, rejects the "external authority" of the Scripture and exalts the individual opinion against the obvious and generally understood teachings of God's Word, is now becoming dominant in the educational institutions of America, both theological and otherwise; therefore, be it

Resolved, by the North Mississippi Conference, in annual session assembled at Amory, Miss., on this the 20th day of November A. D. 1921, that we Memorialize the approaching General Conference of the Methodist Episcopal Church, South, to appoint a Commission of ten ministers and laymen of recognized evangelical orthodoxy. one of whom shall be a Bishop, six of whom shall be ordained elders, and three of whom shall be laymen, none of whom shall be in official connection with any of our educational institutions, whose duty it shall be to study carefully the character of the teaching being offered in our universities and colleges, both at home and in mission fields; particularly, (1) as to the recognition of the authority of the Holy Scriptures as a Divine Revelation and the doctrines related thereto and derived therefrom as the sure

foundation of Christian faith and experience—i. e., Is rationalism and individualism, however disguised, supplanting anywhere Revelation and faith? (2) as to the attitude assumed in scientific departments toward speculative evolutionary theories as to man's origin and history as it affects the Biblical record of the creation and fall of man and the Christian redemptive system, (3) as to the theological presuppositions and bias of the text-books or reference books in use, as in harmony with or undermining the foundations of orthodox evangelical faith.

The further duty of said Commission, should teachers either ministers or laymen, be found in our Church schools holdings or advocating theories out of harmony with Methodist faith as expressed in our Articles of Religion, creeds, and standards of doctrine, shall be to bring to the attention of the Boards of Trustees of such institutions the facts brought to light by their investigations.

Resolved, second, That the educational institutions of our Church and all ministers, laymen, and students, as well as college authorities, be requested to extend the utmost freedom and all proper assistance to said Commission, that a fair and impartial examination may be made, to the protection of the Church from the insidious approaches of heresy, and in discharge of the duties hereby imposed upon the Commission by the Church.

Resolved, third, That said Commission be instructed to make public report of its findings through the Church press as in its judgment conditions may justify or demand and that the expenses of said Commission be provided for by the General Board of Education.
